

Daniel Tschurtschenthaler

Lukas Schäfer

Daniel Tschurtschenthaler and Lukas Schäfer are two young photographers, filmmakers and skiers from Pustertal / South Tyrol (Italy) in love with nature. They stand on mountain peaks, explore the forest and watch animals. Sometimes they stare for hours into the night sky. Thereby they try to capture the beautiful moments with their cameras.

On www.wildzoo.it you find their most beautiful pictures and videos. All pictures are available as prints.
